Daily Costs. We have planned wonderful adventures for you in Armenia that include tours of the oldest monasteries in the world, visits to Armenia's historical landmarks and lots of fun cultural activities. On the itinerary we have priced the cost of each day, which is all-inclusive and includes tours, tickets and entry fees, a guide, a translator, transportation and two meals — lunch and dinner. The EyeCare Project will take care of the cost in Armenia and we will bill you at the conclusion of the trip, after you have returned home, only for those activities in which you participate.

Complimentary Dinners and Activities. As a special thank you to our EyeCare Project friends we have some activities and dinners that are complimentary --- underwritten by special donors who want to say thanks! These include a Welcome to Armenia Dinner at the Noyyan Restaurant; a meeting and lunch with the Catholicos at Restaurant CAU; a late afternoon reception with the Minister of Health followed by dinner; a Gala dinner and dance, and to send you off, a Farewell Dinner at Tufenkyan Kharberd Restaurant.
