

Privacy Policy

Privacy

Any information you provide to the Armenian Eyecare Project will be used by the Armenian EyeCare Project for the sole purpose of correctly processing, crediting and acknowledging your gift. We maintain a donor database, which is on a secure server owned by the EyeCare Project. All of the information contained in our donor database is used exclusively by the EyeCare Project for Project-related business only. Names and information about our donors is strictly confidential. We want to assure you that any names or personal information we receive will not be sold or shared in any manner with any person, organization or company except as required by law.

Data Security

The Armenian EyeCare Project is committed to protecting your personal information. We do not provide any donor information to any other party. Our online donation site uses Secured Sockets Layer (SSL) software, the current industry standard for secure commerce transactions. SSL encrypts all of your information so that no one can read it as the information is transmitted over the Internet. To support this technology, you need an SSL-capable browser, such as Microsoft Internet Explorer 4.01 or higher, or Netscape Navigator 4.06 or higher. All of the information contained in our donor database is used exclusively by the EyeCare Project for Project-related business only.

Users in the European Union

The following terms, in addition to all other terms in this Privacy Policy, apply to users in the European Union ("EU"):

For the purposes of EU General Data Protection Regulation ("GDPR"), the Armenian EyeCare Project is the data "Controller" (i.e., the organization that determines the purposes and means of processing) for the personal information that you submit to us via our website or otherwise. Although the level of protection for personal information in the United States may place your personal information at greater risk than in the EU, the Armenian EyeCare Project is committed to using reasonable security measures to protect your personal information as described in this Privacy Policy.

Individuals in the EU have certain data subject rights, which may be subject to limitations and/or restrictions. These rights include the: (i) right to request access to and rectification or erasure of their personal information; (ii) right to request restriction of processing or to object to processing of their personal information; and (iii) right to ask for a copy of their personal information to be provided to them, or a third party, in a digital format (data portability). Individuals in the EU also have the right to withdraw consent for the processing of their personal information at any time; however, such withdrawal will not affect the lawfulness of processing of personal information that occurred prior to the consent being withdrawn. If individuals in the EU wish to exercise any of these rights, please contact the Armenian EyeCare Project at info@eyecareproject.com. Individuals in the EU also have the right to lodge a complaint about the processing of their personal information with their local data protection authority.

Questions or Feedback

If you have any questions or comments regarding our Privacy Policy and practices, please email us at info@eyecareproject.com.
